EVIL ERNIE®

FEAR ITSELF PART 3

"Crime and Punishment"

Story So Far

Evil Ernie has returned home to Long Branch, New Jersey and revived his dead parents. By exploring their memories he triggered repressed emotions of his own, resulting in a physical split in his identity. Now there are two Fairchilds: Evil Ernie and his human self, Ernest Fairchild. The trauma sent Evil Ernie into a coma. Revived by the mysterious Gavin Combs and his friends, Evil Ernie is now smarter -- and more deadly -- than before. Elsewhere in the town, Ernest Fairchild is haunted by the ghosts of his past as he struggles to come to terms with the death and destruction he caused. Meanwhile, Mr and Mrs Ghoul Fairchild have begun to take their revenge on the living...

KEN "STUBBY" NEWMAN HAS LIVED HIS ENTIRE LIFE IN LONG BRANCH, NEW JERSEY. EVEN THOUGH IT'S NOTHING MORE THAN A FESTERING GRAVEYARD THESE DAYS, STUBBY HAS NO DESIRE TO LEAVE.

WHEN THE BOOZE RUNS OUT, HE KNOWS IT'LL BE TIME TO MOVE ON.

STUBBY WAS GENERAL MANAGER OF THE MUNICIPAL DUMP, BUT HE HAD ALWAYS DREAMED OF BECOMING A WRITER.

SINCE THE PSYCHO PLAGUE HIT, HE'S BEEN HOLED UP IN THE BASEMENT OF THE LONG BRANCH LIBRARY. IN (HOW MANY?) YEARS, HE'S FINALLY MANAGED TO CATCH UP ON HIS READING.

AND HIS DRINKING.

AFTER ALL, HE'S GOT HIS BOOKS, AND THERE'S STILL ENOUGH BOOZE IN THE TOWN LIQUOR STORES.

MOST OF THE LIVING DEAD HAVE GONE, WANDERING OFF TO GOD KNOWS WHERE. THOSE THAT REMAIN SEEM OBVIOUS TO HIS PRESENCE.

AS WASTED LIVES GO, IT'S NOT A BAD EXISTENCE.

Huh?

HIS NAME IS ERNEST
FAIRCHILD. ONCE, HE WAS
A TALENTED BOY WHOSE
ARTISTIC ABILITY COULD
UNCONSCIOUSLY
REDRAW REALITY.

BUT THAT WAS BEFORE
THE BEATINGS, THE
ABUSE MADE HIM TURN
THAT TALENT INWARD,
RECREATING HIMSELF
AS EVIL ERNIE UNDER
THE GUIDANCE OF THE
MYSTERIOUS BEING
KNOWN AS LADY DEATH.

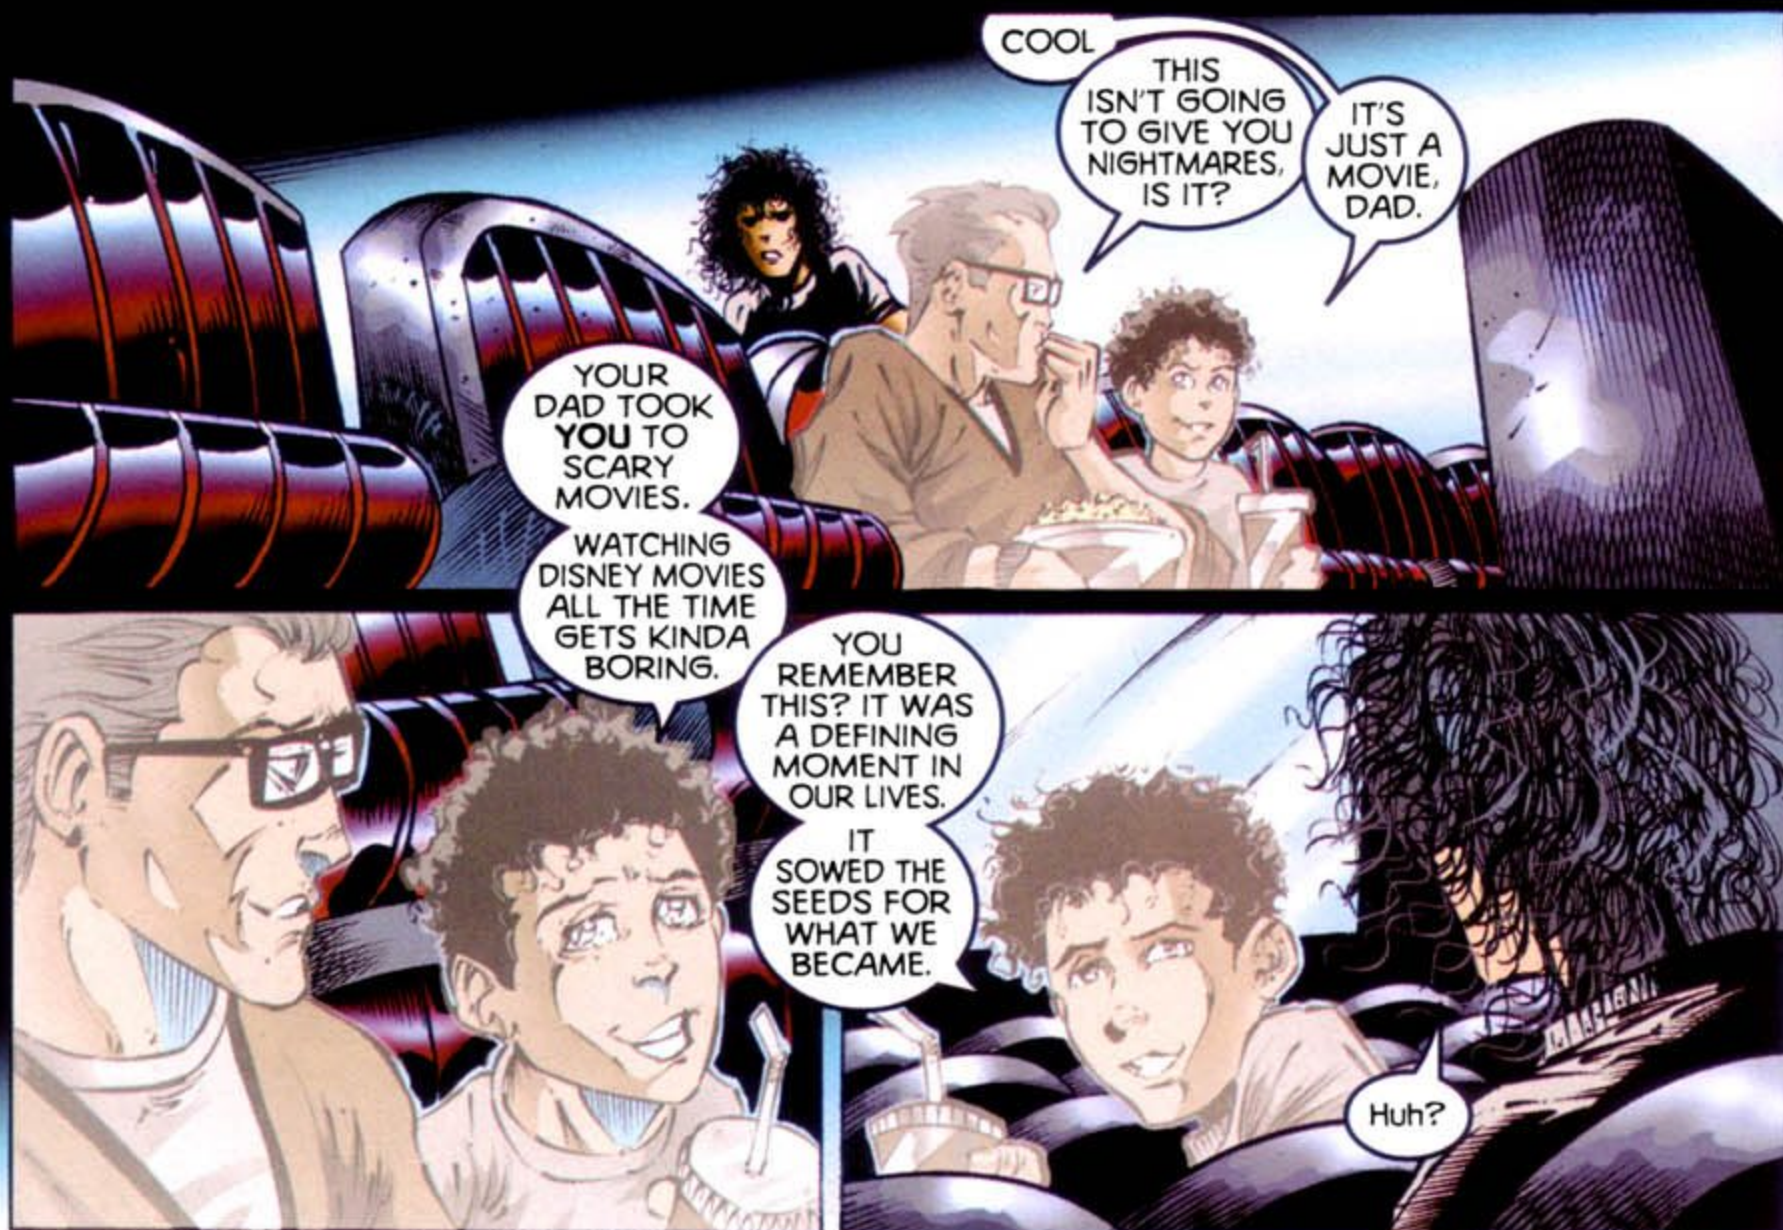

NOW FARICHILD HAS
SPLIT FROM HIS ALTER
EGO AND FINDS HIMSELF
ALONE IN THE TOWN HE
GREW UP IN.

THE TOWN HE
DESTROYED.

MORE
GHOSTS. BUT
MAYBE THIS
TIME I'LL
FIND SOME

THEY'RE

STOP IT,

PROVE TO

SINCE HIS NEAR FATAL
ENCOUNTER WITH

ERNIE HAS UNDERGONE
A CHANGE.

BY INVADING HIS MIND,
THE EGYPTIAN VAMPIRESS
REVIVED DEEPLY BURIED
MEMORIES WHICH LED HIM
ON A QUEST FOR THE
TRUTH WHICH DETONATED
THE TRAUMA WHICH SPLIT
ERNEST FAIRCHILD FROM
"EVIL" ERNIE.

HAVING LOST CONTROL
OVER PORTIONS OF THE
DEADMIND, EVIL ERNIE'S
PSYCHIC TALENTS HAVE
AMPLIFIED, ALLOWING
HIM TO ENTER THE MINDS
OF THE LIVING.

CK HOOPER'S BEEN A THIEF

FIRST, IT WAS SMALL STUFF;
CANDY, COMIC BOOKS, MAGAZINES.

MOST OF WHAT HE TOOK HE DIDN'T
NEED. HIS MOTHER DOTED ON HIM,
GAVE HIM EVERYTHING HE WANTED.
IT WAS NEVER ENOUGH.

WHILE STILL A JUVENILE
HE GRADUATED TO THE
MAJOR LEAGUE.

HIS FIRST MURDER WASN'T
INTENTIONAL. HE BLAMED IT
ON AN ITCHY TRIGGER
FINGER AND AN UNSTABLE
SATURDAY NIGHT SPECIAL.

PATHETIC!
what a loser.

YOUR MONTHLY NEWS SOURCE ON ALL THINGS CHAOS! - NOVEMBER '98

From The Crypt

Ahhhhhhh it's autumn, my favorite time of year - and for several reasons: the weather cools, it's got a back to school feel and I get to burrow away and create Chaos! for the future. We already have a good part of the 1999 release schedule mapped out and we are designing an entirely new trade show convention booth (state of the art, I might add). What else can I tease you with? Well for starters we are putting the finishing touches on an epic, new venture for Chaos!. I'll talk about that sometime in the next few months.

As you may or may not know, Chaos! Comics has joined forces with the world Wrestling Federation to bring the world the monthly Undertaker Comic! I knew this was a big deal, but when we sprung it on people at San Diego Comiccon, it exploded! Heck, we were passing out Undertaker flyers at a recent Metallica concert and we all got mobbed. Every time I think this thing has reached a peak, it continues to blow me away. The comic will be very, very cool - and oh so dark. A good part of it takes place in a place called Stygian - where Hell condemns it's blackest souls. A prison actually. Watch for the Undertaker Preview book in January 1999 and the series to commence in March 1999.

In about a week I am locking myself away to write the Evil Ernie screenplay. I wrote one about a decade ago, but it's time to update it, sharpen the razor so to speak. I'm psyched. My goal is to have the first draft complete by Christmas.

What else is cookin'? Well we are finally going to go and do it - a crossover! Before any of you get flipped out, and decide to hate our guts, consider who the crossover is with. Now I whole heartedly understand that you'd have to stone us if we crossed over with a spandex clad do gooder or Millie The Model, but the crossover we are doing - to celebrate Valentine's day no less - is with a legendary character we all love: Vampirella. Yup, the diva of death will meet the scarlet vampiress in a story written called "Dark Hearts" by yours truly and David Quinn and illustrated by none other than Steven Hughes. Look for it February 1999.

I could go on about other cool exciting stuff - like did you see last month's Evil Ernie #4. Was that the best S&# comic or what? But I gotta save some goodies for next month. Gonna see Jimmy Page & Robert Plant tonight - YEAH! May the darkness be with you.

STTB.

The Low Down Chaos! Continues to Quake!

Keep those Quake II entries coming! We've received over 150 Chaos!-themed Quake II multiplayer modules for our contest (sponsored by those great fiends at id Software, 3Dfx interactive, and Activision), but we want more! More Lady Death! More Chastity! More Purgatori! More Evil Ernie! More...dare we say it?...Smiley! C'mon you Quake II-savvy fiends out there - let's see your stuff! Design a Chaos! inspired Quake II module and win cool prizes like complete Pro Gamer System from iDot Computers, Spectra2500 and Pure 3D II LXF from Canopus Corp., 3D Studio Man r2.5 from Kinetix and other great stuff. What could be cooler?

Hey, and who says we're not fair? If 3D game design isn't your bucket of blood, you can always enter our random drawing. Just send us a 3x5 card with your name, address, and phone number for a shot at winning prizes like Voodoo2 cards from 3Dfx, a year of free rentals from Blockbuster, a Multimedia studio from Macromedia, and a shot at taking home the grand prize as well - that Pro Gamer System from iDot! Like everything though, dear Fiends, the contest must come to an end - get those modules and cards in by December 31st, or you lose out on your chance at winning the loot.

Grab the Quake II Modules While You Can!

That's right, the Lady Death Quake II module (available for free downloading at the Chaos! website) has set the Quake community on fire, easily becoming one of the hottest Quake II downloads anywhere on the Internet. Quake Clans all over the place are talking about the cool scenery and dead-on version of Lady Death that appears in it. It's killer.

Also, be sure to download the Chastity multi-player Quake II plug in as well, which just debuted at the annual Chaos! Fiend Bash. It's

designed by Jade Moffat, who also worked on the Lady Death module, so you can bet it's cooler than cool!

Lady Death + Vampirella = Dark Hearts for Valentine's Day!

It's a match made in hell...or Drakulon. Coming next February, the Diva of Death meets that vampiric vixen, Vampirella in a one-shot crossover that will have both Chaos! and Vampy fans beating down the doors of their local comic shop in anticipation.

Written by Brian Pulido and David Quinn, with art by Lady Death's best man, Steven Hughes, the one-shot will ship with two covers - one regular, and a variant by Hughes that will be limited to 3,000 copies. Stay tuned for more information about this soon to be legendary crossover, including just who the poor sap going up against horror comics' finest ladies could be. Also, Chaos! will be releasing Lady Death/Vampirella T-shirts and a 50-card trading card set in commemoration of the meeting of these scary ladies. Don't be left out -- be sure to tell your retailer that you want one of everything!

Moore Chaos! From Moore

Okay, so you've got that order in with your retailer for the 12" Lady Death coming in December from MAC, right? Well get ready to go all Chaotic again, because the second Chaos! action figure assortment is coming in early 1999. Made up of three figures, the line will include Lady Death in her battle armor, Cremator, and Vampirella. Look for the figures to hit shelves in March or April. Plus - keep your eyes and ears peeled later in the year for a possible Lady Death/Vampi 'Dark Hearts' two-pack that would feature all new original package art inspired by February's crossover. Make room on those shelves, Fiends...the new figures are coming to town!

Undertaker #1 - No Holds Barred!

In celebration of the launch of the

Undertaker ongoing series, we're declaring March as 'No Holds Barred' month here at Chaos! Not only will the Undertaker series debut, but our ongoing Chaos books will pay special tribute to the big lug, featuring knock-down drag out battles that would make the Undertaker proud. Be sure to grab all the Chaos! books that month, when philosophy and discussion take a far back seat to fists, choke holds, and all out fighting! No word yet on if this includes grudge matches here at Chaos! HQ.

Purgatori #1 - Going Going, Gone!

Looking to lay your hand on a copy of Purgatori #1? Good luck! Word from across the country is that the first issue of Purgatori barely had time to cool its heels on store shelves before being nabbed by rabid Chaos maniacs everywhere! In fact, some retailers were saying that the last time they saw action like this on a comic, it was because some guy with an 'S' on his chest died. Keep hunting!

Big Mysterious News on the Horizon...

And we're talking big here Fiends! Stay tuned to Impending Chaos and the Chaos! website to find out just what we're talking about - something so big that all of us here at Chaos! HQ are still in the dark. But trust us, it's big.

Still Evil After All These Years

It's come to our attention that a few of you (and you know who you are) may have slipped off the Evil Ernie bandwagon in favor of Chaos! other fine titles. C'mon now - it's time to come back to Ernie. The series still features some of the best writing in comics today, including the current stylings of Phil Nutman, Hart Fisher (starting on EE #8), and Brian Pulido, who picks up the reins with EE #13. Also, did you know Ernie's had a facelift and a redesign? Didn't think so. So go on out there right now, and pick up Evil Ernie. You'll be glad you did, because....

Pulido Writing Evil Ernie Screenplay as We Speak!

Chaos! Comics frontman and creator of Evil Ernie, Brian Pulido, has locked himself inside his studio for the past month, writing the screenplay for the inevitable Evil Ernie movie. Word has it that it's going to focus on Evil's origin and focus on the character of Evil Ernie and of course, be filled with plenty of stomach-wrenching special effects! We'd try to get more information, but Cremator is guarding the door.

Dear Fiends,

We know that many of you have been wondering just what the heck has been going on with the Fiend Club lately. Many of you have tried to join, only to be told that you couldn't and have been told that new details were coming soon.

The truth? The Fiend Club wasn't working like the well-oiled machine we'd hoped it would be, so we had to take it back to the shop, look under the hood, gut it, put it back together better than ever and wait for a thunderstorm to provide the electricity to bring it back to life. Now that it's lumbered off the table we can spill the details - from now on, the Fiend Club will have two components: 1) Fiend Club Online - As of November 2nd, the Fiend Club area of the Chaos Website will be free to all visitors. No longer will access be denied to anyone because they don't have a Fiend Club membership number! That's right, now you can use your computer to log on to the Fiend Club's exclusive information and offers for mind-blowing Chaos! loot. 2) Fiend Club (regular) - For a one-time price of \$14.95, devoted Fiends will get a membership card, a membership certificate and other surprise goodies, as well as a 10% discount on all Chaos! merchandise ordered through the Collector's Corner. It's the best deal in comics today! And for current Fiend Club members - don't worry! You're still members in good standing in our book.

Now that the Club is up and humming again, look for exclusive offers throughout the year, along with other special information and merchandise just for Fiend Clubbers. Stay scared!

The Chaos! To Come Checklist

Enjoy life. Read comics more often! After all, who among us can get through the week without a certain amount of Chaos!? Be the first on your block to own the complete set of Chaos! Comics.
